RE: Apple Road Bridge No. T206-1.12 Deck Replacement Detour
Batavia Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, it has been determined that a road closure is necessary on Apple Road, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary so that our crews can replace the deck on the bridge on Apple Road.

The closure is located between address 174 and 210 Apple Road. **The road will be closed to through traffic from Tuesday, April 1, 2025, through Friday, April 25, 2025.** The length of the detour is approximately 3.98 miles or 20,994 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. Our crews will maintain the detour signs throughout the project. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Mark Schlosser at 513-732-8857.

Sincerely,
