RE: Cedarville Road Culvert No. C26-20 Replacement Detour  
Goshen Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Cedarville Road, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary so that our crew can replace a deficient culvert along Cedarville Road.

The closure is located just southwest of address 2231 Cedarville Road. **The road will be closed to through traffic on Monday, May 19, 2025, through Friday, June 6, 2025.** The length of the detour is approximately 4.04 miles or 21,331 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. Our crew will maintain the detour signs throughout the project. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Mark Schlosser at 513-732-8857.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".
