RE: Bethel Concord Road Bridge No. C11-2.77 Detour  
Williamsburg Township – **EMERGENCY CLOSURE**

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that an emergency road closure is necessary on Bethel Concord Road, and that it is impractical to construct a temporary highway, culvert, or bridge. Following our recent inspection, we determined that a closure is necessary due to the deterioration of the headwall.

The closure is located between address 3366 and 3390 Bethel Concord Road. **The road was officially closed to through traffic on April 11, 2025, and will remain closed until further notice.** The length of the detour is approximately 5.46 miles or 28,834 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. Our crew will maintain the detour signs. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Jon Carpenter at the Clermont County Engineer's Office at (513) 732-8857.

Sincerely,

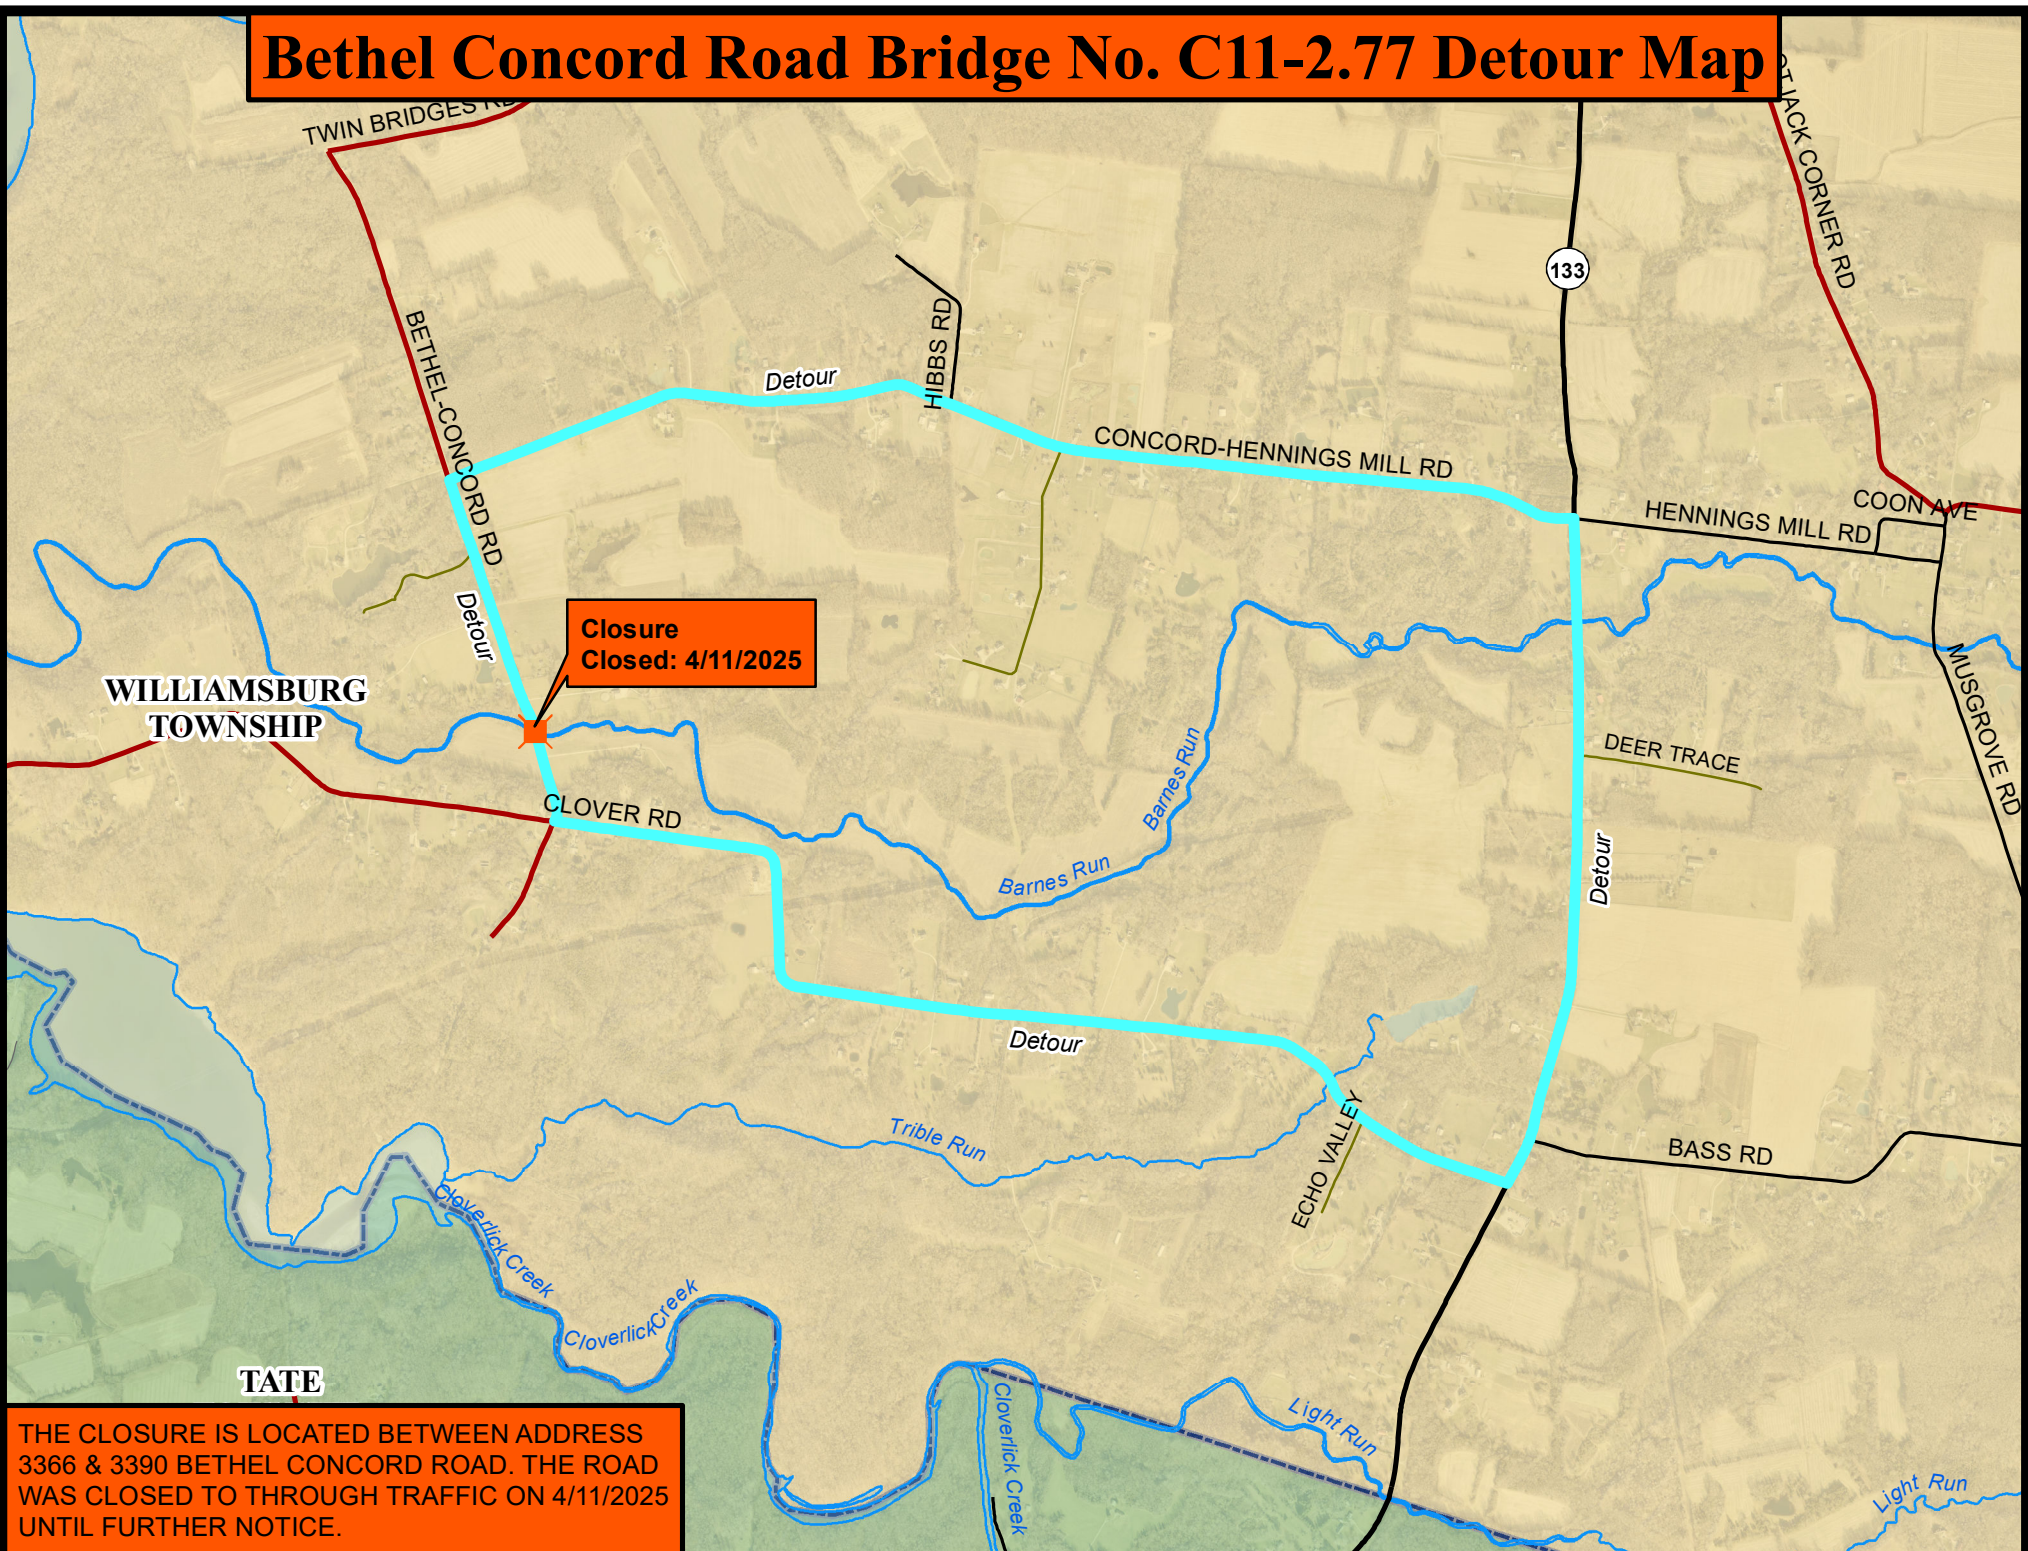

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".
