RE: Price Road Landslide Borings Detour
Miami Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Price Road, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary for our contractor to collect borings related to the landslide on Price Road.

The closure is located between address 5970 and 6040 Price Road. **The road will be closed to through traffic from 9AM to 5PM on Friday, April 25, 2025.**

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. Our crew will maintain the closure signs. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Amanda Beiting at 513-732-8857.

Sincerely,
