RE: Gibson Road Bridge No. T194-1.30 Replacement Detour  
Goshen Township – **ROAD CLOSURE START DATE RESCHEDULED**

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, it has been determined that a road closure is necessary on Gibson Road, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary so that our contractor can replace a deficient bridge on Gibson Road.

**Due to utility relocation issues, the start date for this closure has been rescheduled to begin on Monday, April 7, 2025.** The closure is located northeast of Gaynor Road on Gibson Road. The length of the detour is approximately 8.14 miles or 42,979 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. The contractor will maintain the detour signs throughout the project. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Doug Royer at 513-732-8857.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".
