RE: Sugar Camp Road Bridge No. T232-1.67 Maintenance Detour
Miami Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, it has been determined that a road closure is necessary on Sugar Camp Road, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary so that our contractor can perform bridge maintenance.

The closure is located between 5368 and 5371 Sugar Camp Road. **The road will be closed to through traffic from 8AM to 5PM on Thursday, April 24, 2025, and Friday, April 25, 2025.** The length of the detour is approximately 7.47 miles or 39,432 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. Our crew will maintain the advanced warning signs. The contractor will manage all other detour signage. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Jon Carpenter at 513-732-8857.

Sincerely,
