RE: Woodville Pike Tree Clearing Detour
Goshen Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Woodville Pike, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary for our contractor to trim and clear trees on Woodville Pike in preparation of the upcoming bridge replacement project.

The closure is located between address 1737 and 1739 Woodville Pike. **The road will be closed to through traffic from 8AM to 5PM on Tuesday, May 6, 2025, through Thursday, May 8, 2025.** The length of the detour is approximately 3.51 miles or 18,526 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. Our crew will install and maintain the detour signage. The contractor will manage the barricade at the closure location. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Jon Carpenter at 513-732-8857.

Sincerely,

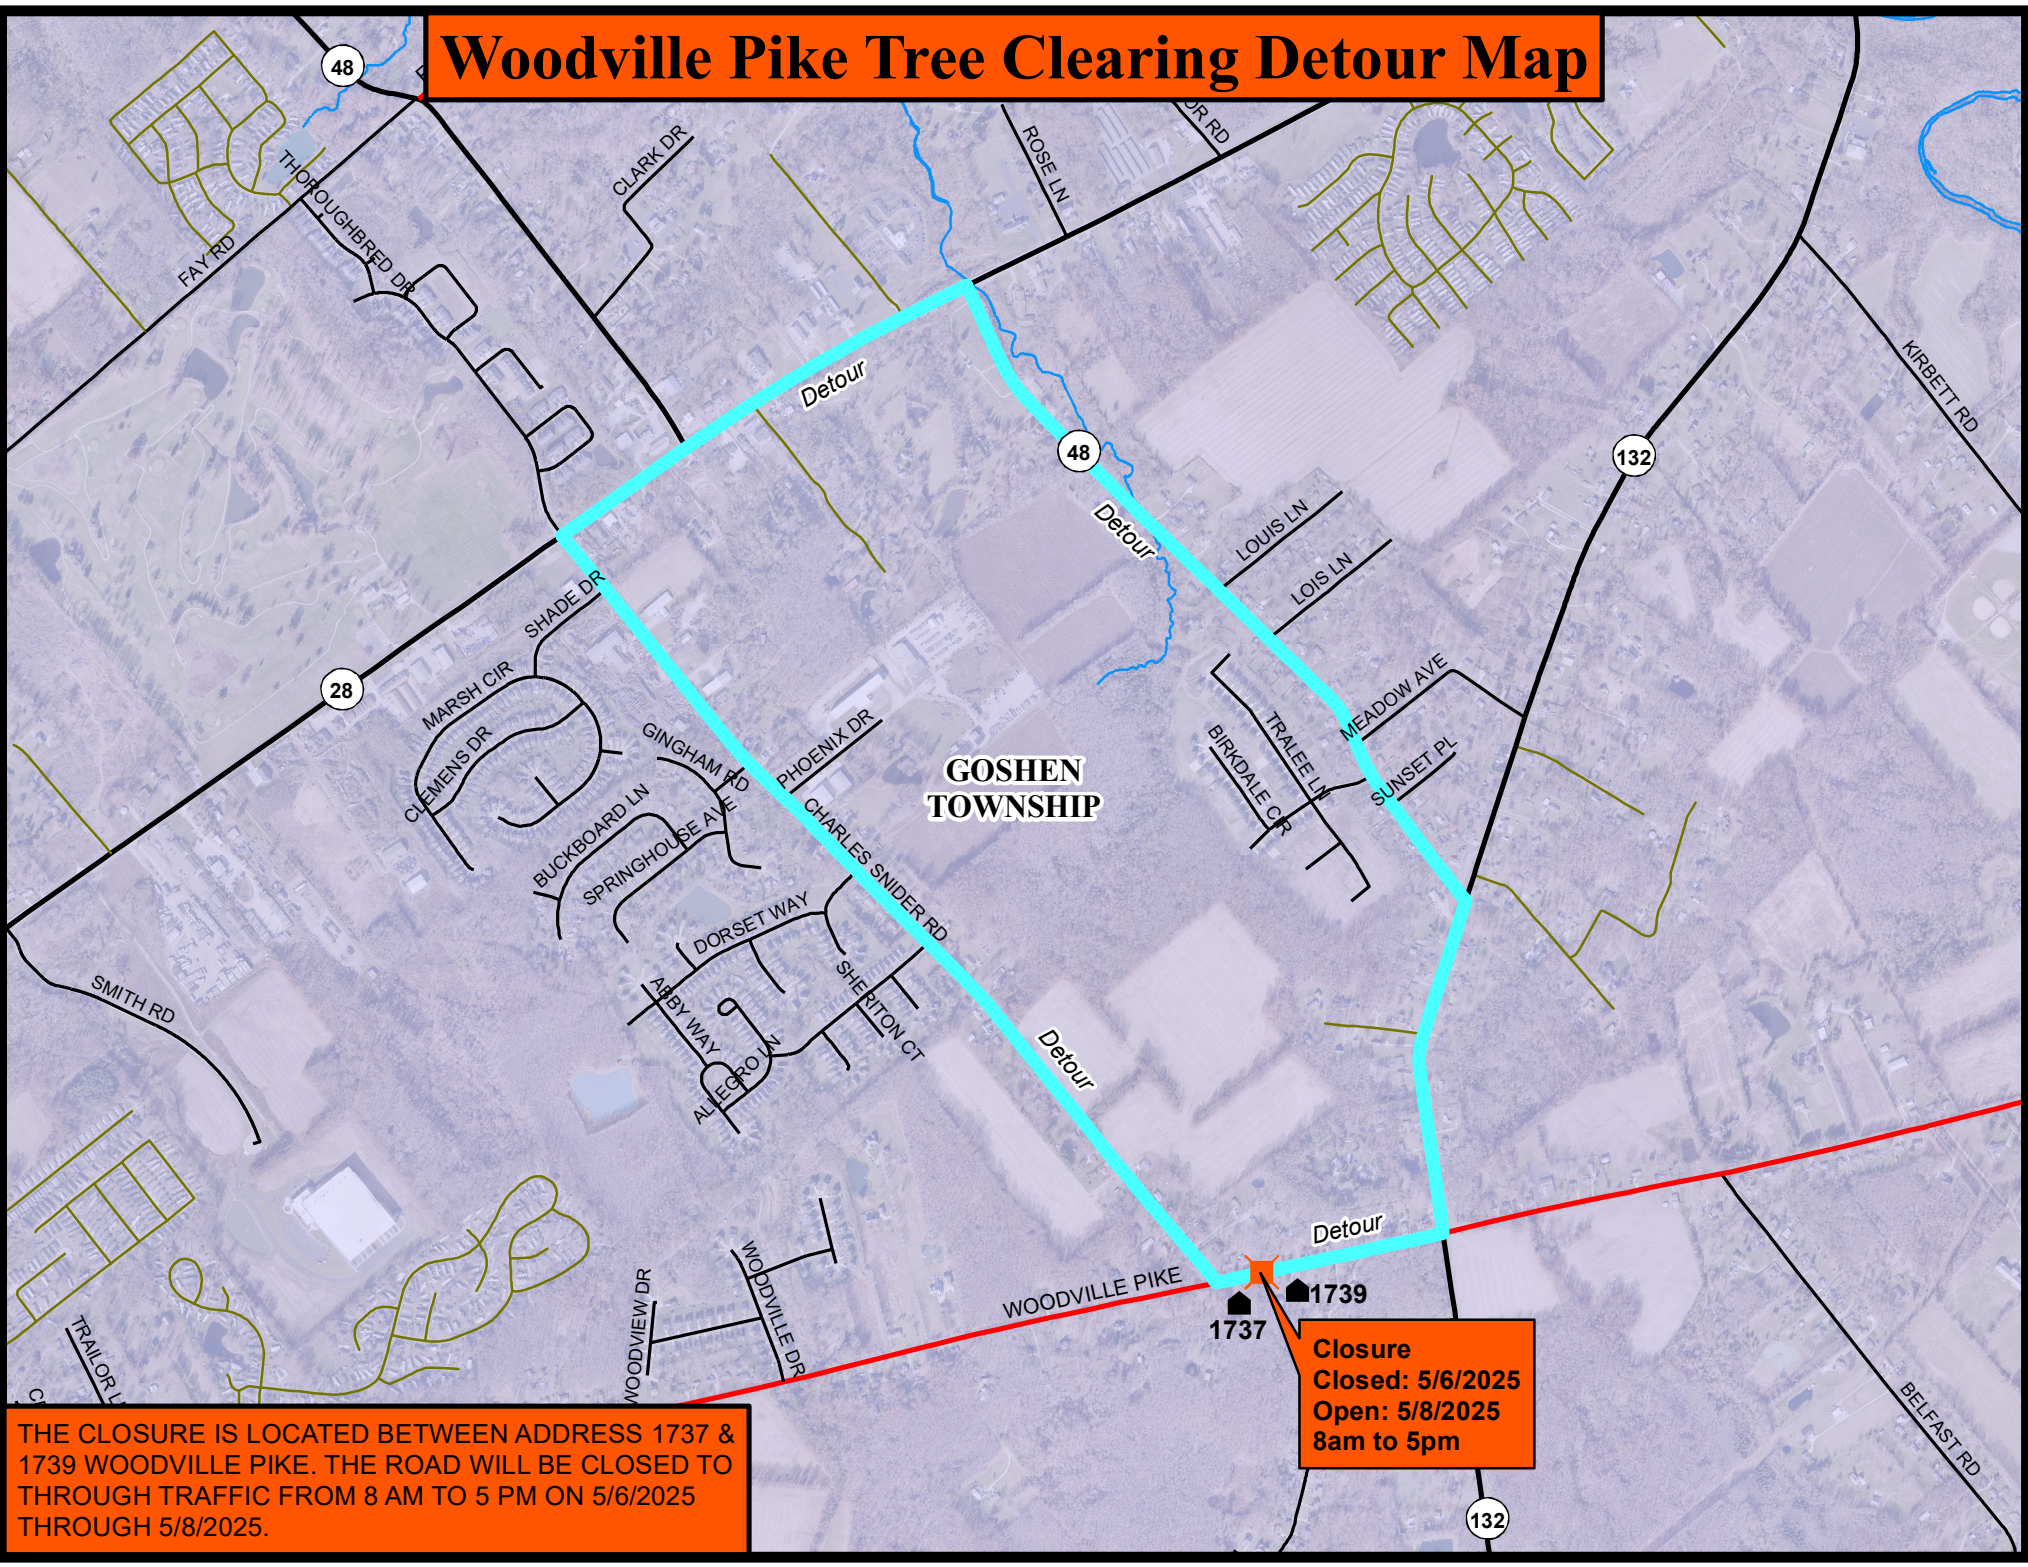

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".
