RE: Goodwin Schoolhouse-Pt. Isabel Road Utility Work Detour
Franklin Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Goodwin Schoolhouse-Pt. Isabel Road, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary for Duke Energy to complete scheduled utility upgrades.

The closures are located between address 2758 and 2883 Goodwin Schoolhouse-Pt. Isabel Road. **The road will be closed to through traffic from 9AM to 2PM on Tuesday, March 10, 2026, and Wednesday, March 11, 2026.** The length of the detour is approximately 6.51 miles or 34,350 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. Our crews will maintain the advanced warning signage. The contractor will be responsible for installing and maintaining all other detour signs. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Lucas Braun at 513-732-8857.

Sincerely,

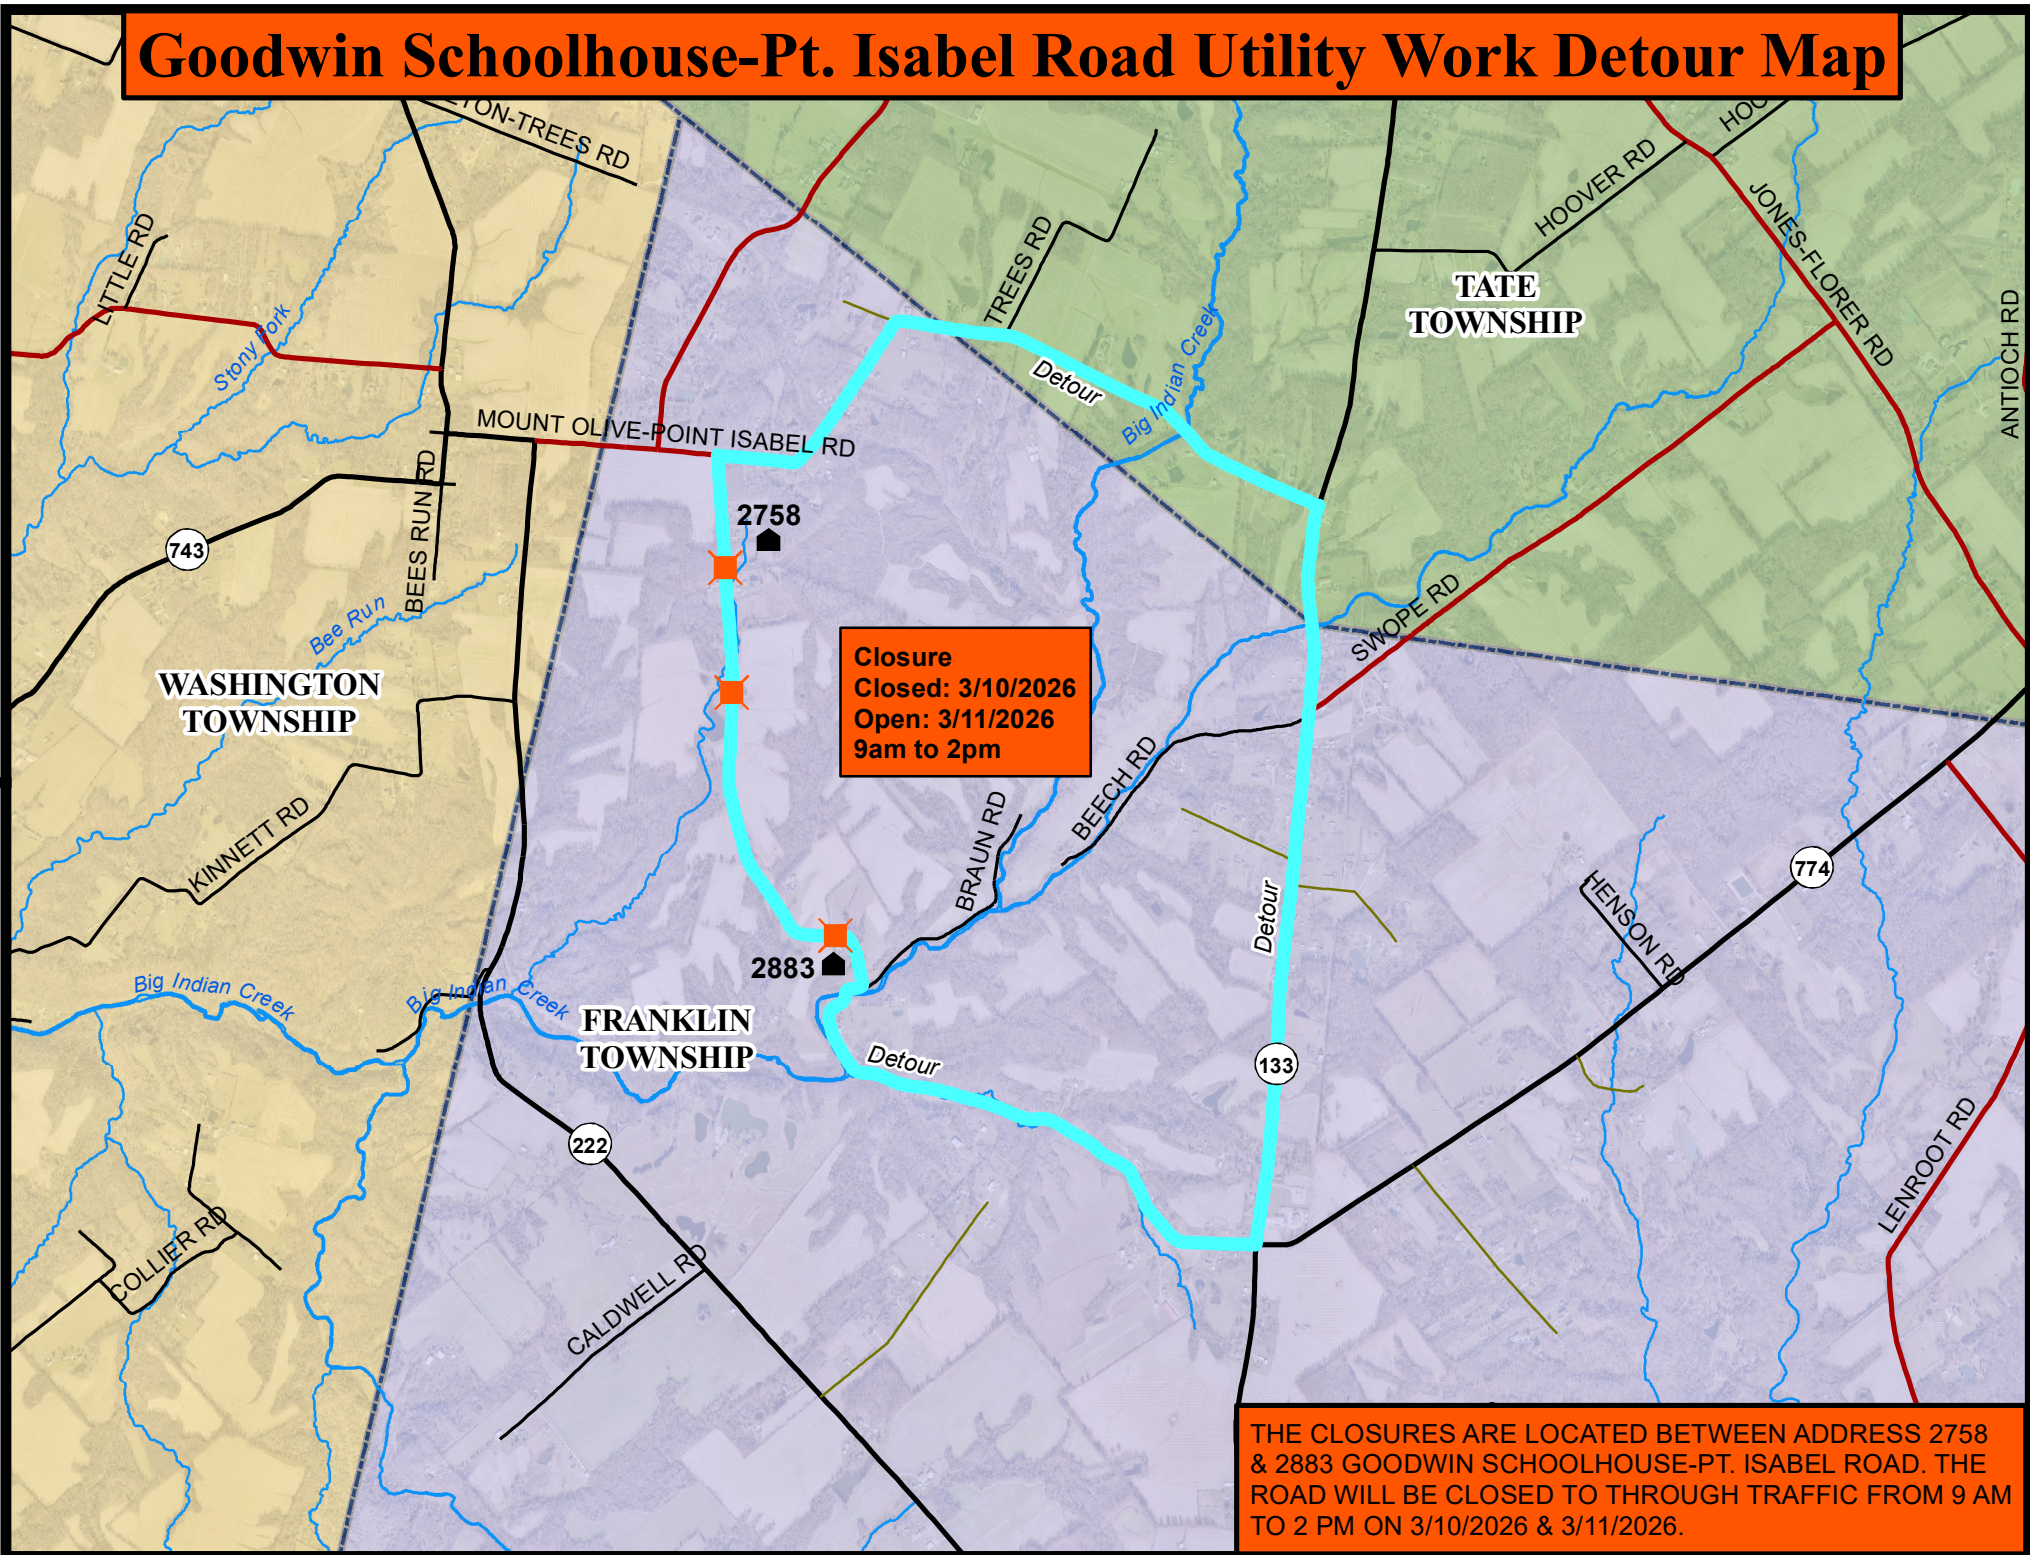

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".
