RE: Felicity Cedron Rural Road Bridge Maintenance Detour
Franklin Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Felicity Cedron Rural Road, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary so that our contractor can perform bridge maintenance.

The first closure is located between addresses 367 and 373 Felicity Cedron Rural Road. Once completed our contractor will move north to the next closure along the roadway. **The road will be closed to through traffic from 8:00 AM to 4:00 PM beginning Monday, March 30, 2026, through Tuesday, April 14, 2026. No work will occur on weekends.** The length of the detour is approximately 10.07 miles or 53,175 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. Our crews will install and maintain the advance notice and detour signage. The contractor will place barricades and signs at the project site. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Jon Carpenter at 513-732-8857.

Sincerely,

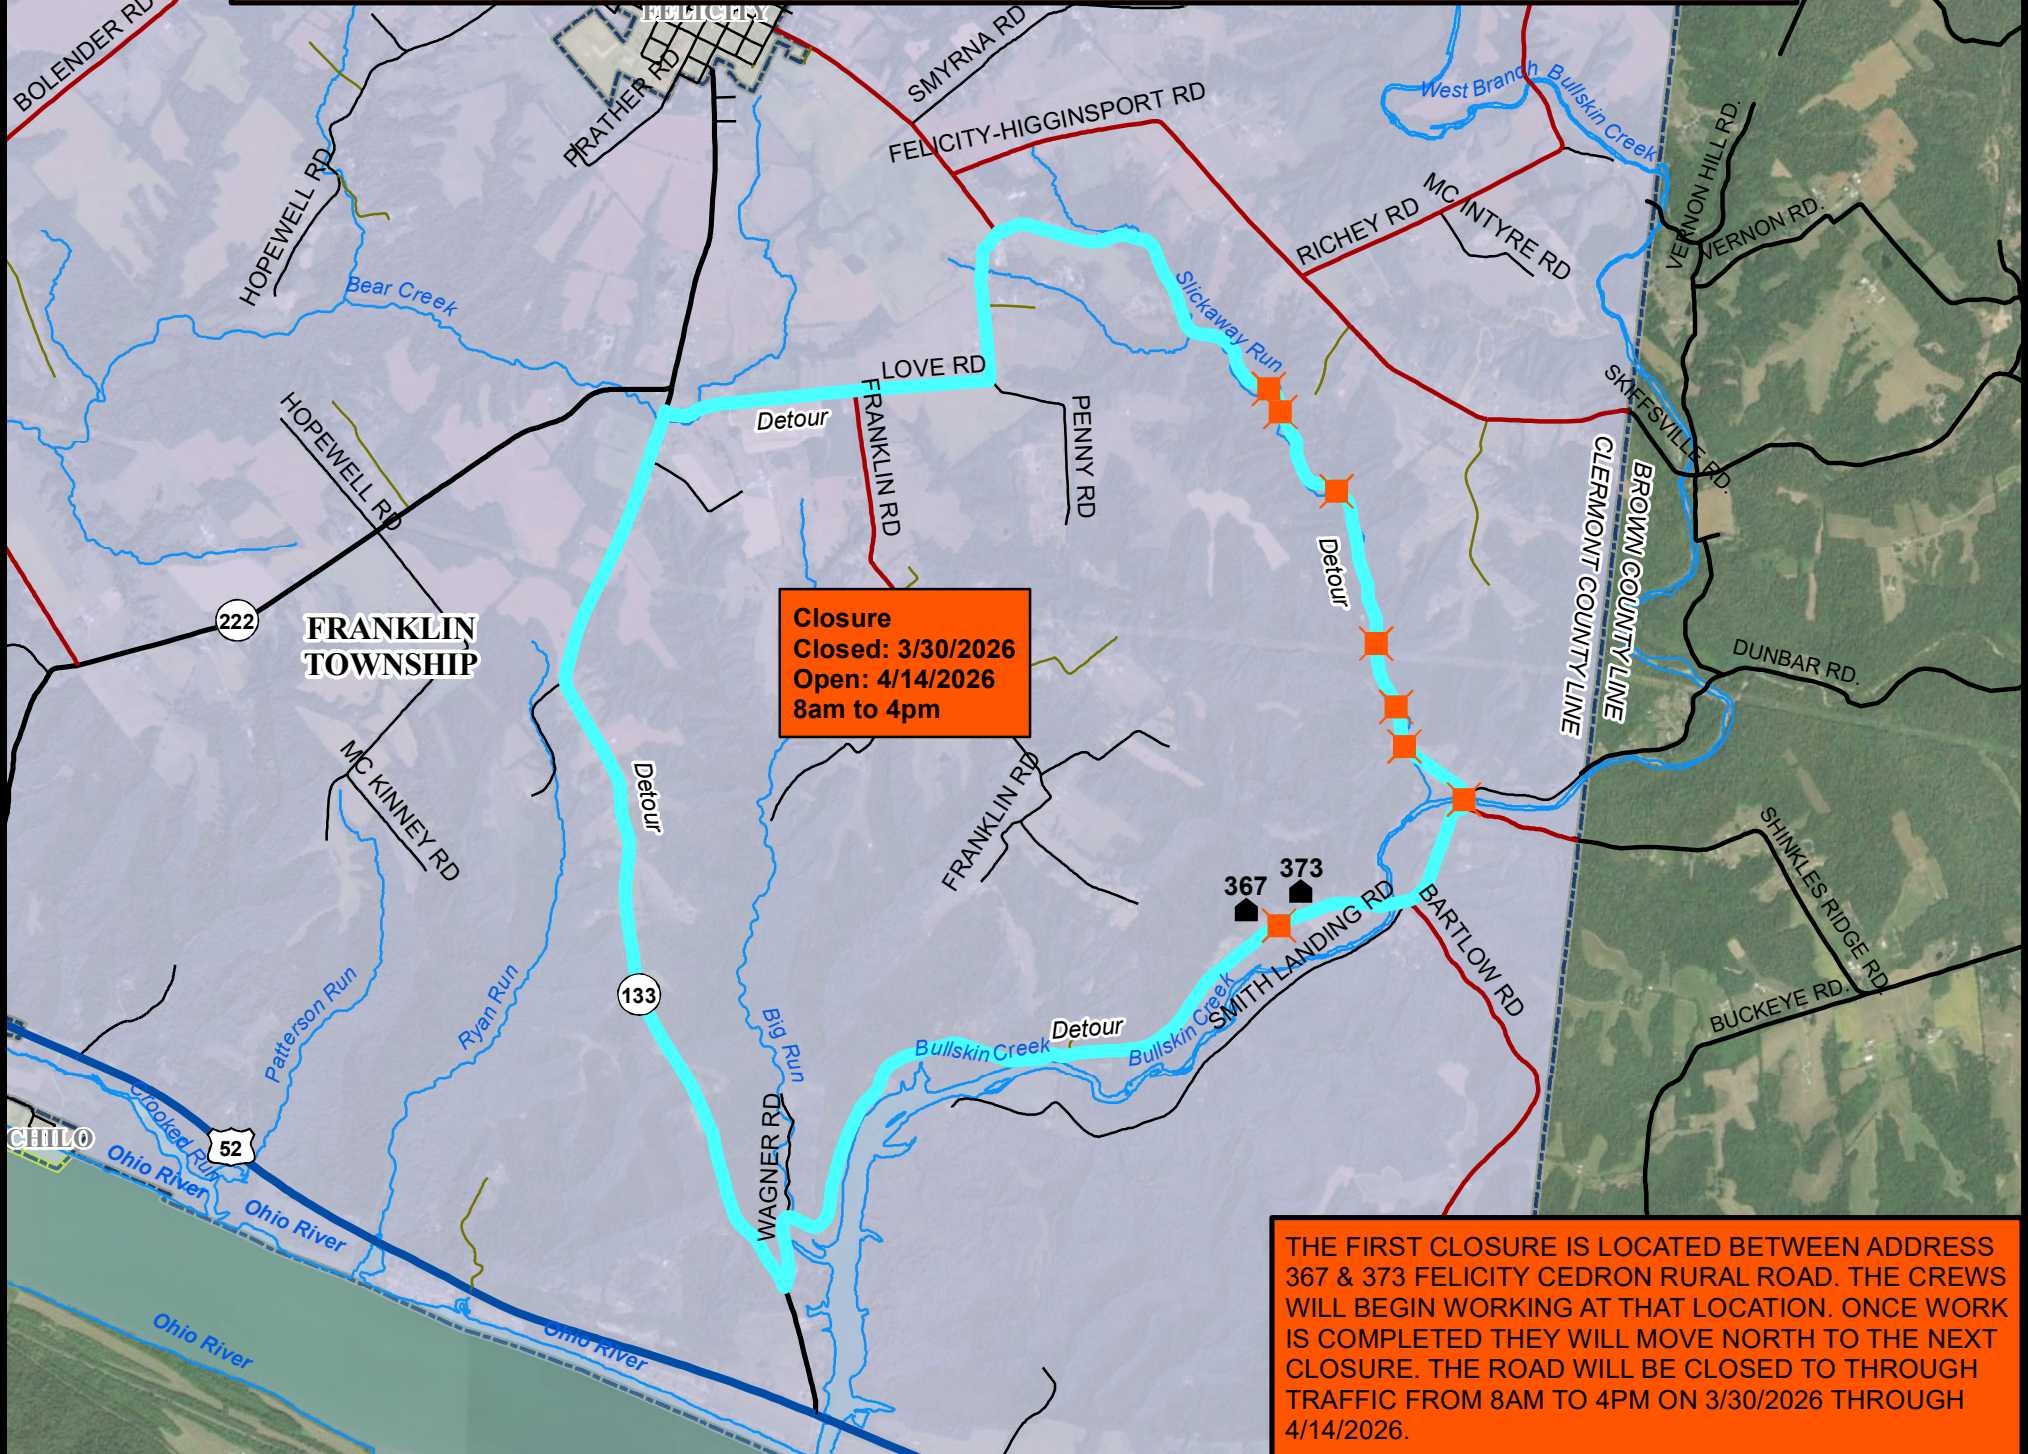

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".

Jeremy P. Evans, P.E., P.S.
